

Isolation - Maggie Bell

"10 seconds!", i say in fear. Come on, come on, come on!!! Ahh there's one line!"

"Ah mum there's two lines." "Ah Mum, we might have a little problem!"

"Maggie zip it !", my mum mouths to me. I forgot that she was in a meeting. So I just walked up to her, staying out of view of her meeting. I stood behind her computer and showed her the test then she looked at me and said. "Not nowww w-w-whaaat the?"

It was like her mouth dropped to the ground and hit the floor with a bang. The person in her meeting said.

"Sue , are you ok?"

"Yeah fine" my mum says to keep Cathy calm.

"Can I call you back later Cathy?" says my mum

"Uhhh but we have to go over the finances, taxes and payments for this month." Cathy says confused of what is happening

"Ok bye." my mum says.

"Maggie, why didn't you tell me before?" my mum says.

"Seriously!" i say as my eyebrows raise.

"Ok what are we going to do?" my mum says.

"I have netball training and school and a sleepover with my friends." i say sadly.

"Well I guess you'll have to miss out." my mum says.

"Uhhhhggggg!" I say as I drag myself to my room.

"I should ring everybody to tell them that we are in isolation. Now who to start with?" as my mum looks for her phone under a tower of work papers.

I think of what is going to happen with school, Netball and my sleepover. In the background. I can hear my mum talking on the phone. I decide to go to my room to get my phone and tell my friends I can't have a sleepover with them. "This will be the most boringest week ever!" I say as my eyes roll around my eye sockets.

Day 2: "This is really boring!" i say to myself.

This is the most boringest thing ever. I thought that isolation would be fun but really I am stuck in my room.

Day 6: "One more day yessssss!!!!!!!!!!" I can't wait to get back to school and see my friends.

Back at school this is the best !
